

ADMISSION

You must enroll for the term indicated on your admission letter. *If you do not register for your original admission term, your classes will be dropped for subsequent terms and your admission is voided.*

Check your admission letter for the accuracy of your name, entrance term, address and major. Address, telephone and email changes can be made online at myUCF. All other changes must be submitted via email to the Office of Undergraduate Admissions at uaoperations@ucf.edu.

If you wish to change your term of application, you must submit a new application and fee through your Future Knight Portal.

MYUCF PORTAL

You must create an account to access the myUCF Portal. MyUCF is where you will apply for housing, review your financial aid summary, update personal information, register for classes, view and pay your tuition and fee invoice, and complete other necessary tasks. Residency status for tuition purposes will be reflected on your Future Knight Portal status page following verification. Once you register for classes, access your fee invoice in myUCF and ensure that the appropriate tuition and fees are assessed.

FINANCIAL ASSISTANCE

Financial aid is available to students who have been offered admission, determined eligible, filed the Free Application for Federal Student Aid (FAFSA), classified as a degree-seeking student, have enrolled in at least one UCF class for the term they have been admitted and met all other eligibility requirements. If your first term of enrollment at UCF is the summer term, you must first complete the prior year's FAFSA in order to receive financial aid for that term.

If you are a financial aid recipient, your eligibility is based, in part, upon the assumption that you have met the admission contingencies specified in your admission letter. If it is later determined that you failed to meet an admission contingency, you will no longer be eligible for financial aid and it will be canceled.

In addition, you will be responsible for repaying any financial aid disbursed to you.

Visit finaid.ucf.edu/fafsa to begin the FAFSA filing process. If you have questions, contact the Office of Student Financial Assistance at 407-823-2827. You can also schedule an appointment by visiting finaid.ucf.edu/contact.

HOUSING

Many on-campus living arrangements are available to transfer students. The area surrounding the UCF Main Campus offers a wide variety of apartment complexes specifically designed for student living. Incoming transfer students are encouraged to research these options at ucf.o-campuspartners.com. Rosen College of Hospitality Management majors may apply for housing at the Rosen College Apartments and find more information at housing.ucf.edu/choices/rosen/. Students with majors offered at the UCF Downtown Campus are encouraged to consider UnionWest at Creative Village, which can be found at unionweststudentliving.com.

FINAL TRANSCRIPTS

A copy of your official final transcripts from each institution attended is required. If you satisfied the foreign language requirement in high school, a copy of your official final high school transcript must be submitted to the Office of Undergraduate Admissions. The status of these transcripts is available on your myUCF Portal. Failure to provide final transcripts will jeopardize your ability to adjust your schedule, register for future terms, receive grades or have transcripts sent to other institutions.

Failure to provide final transcripts to UCF may also delay the disbursement of financial aid. Your admission is contingent upon your successful completion of all coursework at a level consistent with that at the time of admission. Your enrollment is not complete until all official final transcripts and test scores are on file in our office.

TRANSFER CREDITS

College-level coursework from other accredited institutions of higher education, meeting university transfer eligibility requirements, will transfer to UCF.

However, all your credits may not meet the specific requirements of your degree program. The department of your major will determine how these credits will be used and applied toward your degree.

UCF currently uses a plus/minus system in calculating a grade point average for transferred coursework. In addition, grade forgiveness is only honored if it has been awarded in conjunction with an A.A. or

statewide articulation agreement (e.g., Florida Statewide Articulation Agreement).
